CONFERENCES & BANQUETS

- 13 meeting rooms, including a high-tech ballroom, offer a variety of seating styles and configurations for ten to 600 people. The ballroom is divisible into three separate soundproof rooms
- State-of-the-art audio-visual equipment is available for all rooms. Five conference rooms have natural light
- A multifunctional foyer, opening directly onto the ballroom, is ideal for coffee breaks, cocktails, registration and exhibitions
- The Library offers a remarkable setting for private occasions, complete with a fireplace and unparalleled views of the River Rhine
- A team of skilled technicians ensures that each conference has the latest equipment matched to the customer's needs
- Business Centre: The Business Centre is an 'office away from the office' providing professional services and support to the business traveller. It offers workstations with the latest software and broadband Internet access
